FAMILY MEETING - MONDAY, 7TH APRIL, 2025

The Holy Ghost journey began on Monday at both hall and branch levels under the theme, **“The Holy Ghost and His Personality.”** It was a powerful introduction, where we explored, at the various hall and branch levels, the combination of characteristics that define the Holy Spirit’s personality as our Advocate, Teacher, Reminder, Guide, and most importantly, our Friend.

The session emphasized the significance of the Holy Spirit as the presence and totality of God. We ended with a rich time of prayer in the Lord’s presence, leaving us with a deep thirst for more in the days ahead.

Midweek was a powerful continuation of this journey, led by the anointed Elder Dr. Stephen Osei-Wusu. SUNDAY SERVICE - 13TH APRIL, 2025

THE CLIMAX

SPEAKER: **DR. BENEDICT SOMIAH**

With hearts full of expectation and spirits stirred from the week's encounters, we gathered for the climax of the Holy Ghost Festival. It was a divine moment marked by worship, power, and the overwhelming presence of the Spirit.

Speaking under the theme **"The people of God, unleashed to excel in the fruits of the Spirit to have a takeover"**, the esteemed Dr. Benedict Somiah blessed us with eye-opening teachings about the power of the Holy Spirit.

Some key notes from his sermon included:

- The power of God has been released upon you but it takes confidence to emanate from the power
- As Children of God, there is no limit to the dream you can dream for we are heirs of God and co-heirs with Christ
- There is a reason why the fruit of the spirit must be excellently exhibited
- If you want to exhibit the fruit of the Holy Spirit, you don't have to be a product of misconception

He also drew from key scriptures such as **Acts 1:8, Leviticus 21:1 and Galatians 5:22-23**. It was an amazing time in the Lord's presence.

SUNDAY SERVICE - 13TH APRIL, 2025
